Emily and Michael of Lionheart CPR provided my staff and I with an excellent CPR training experience. They both made the scheduling process very convenient and worked around our busy schedule. Emily was a very enthusiastic, professional, and knowledgeable trainer, providing us with a great deal of information and practical skills. I would highly recommend Emily and Lionheart CPR for training any company or school as they make the experience very enjoyable and I would have them back to my school again in a heartbeat!

Yours sincerely,
